

NATEC CHIPMUNK 2-W-1

ERGONOMIC SET OF PADS

PRODUCT FEATURES:

- A set of ergonomic mouse and wrist pads ideal for people experiencing discomfort in their hands due to long hours of working at the computer.
- A mouse pad with wrist support to eliminate tension and pain in the hand when working with a mouse.
- Wrist rest designed for users of full-size keyboards.
- Filled with soft foam giving adequate support to the wrist.
- Smooth top fabric provides high precision tracking of mouse movements and does not cause skin chafing.
- Compatible with optical and laser mice.
- Bottom anti-slip layer increases stability on any surface.
- Easy-to-clean top surface.
