

OWL

PRIVACY FILTER 24"

FEATURES:

- A privacy filter that protects your personal data or confidential information
- Micro-louver technology providing a clear view from the front and a total blackout side view eliminating the possibility of „peeking through the shoulder“
- Anti-glare property reducing eyestrain and preventing damage of eyesight
- Protection of the screen against dirt, scratches and fingerprints
- 2 mounting options: hooks on the screen frame allowing to put on and take off the filter at any time and double-sided, invisible self-adhesive strips

PRODUCT SPECIFICATION:

Screen size	24"
Aspect ratio	16:9
Dimensions	531 x 298 mm
